

BLUEPEAK'S FASTER, MORE RELIABLE INTERNET NOW AVAILABLE TO STILLWATER, OKLAHOMA RESIDENTS AND BUSINESSES

Fiber Internet Provider Offers Up To 5 Gigabits of Symmetrical Bandwidth from its State-of-the-Art Fiber Network to Residences

STILLWATER, Okla. | April 18, 2022 – Bluepeak, an innovative internet provider, announced today that it has launched service in Stillwater, Okla. providing homes and businesses access to faster speed, better connectivity and greater power to sync more devices through Bluepeak's fiber internet offering. Bluepeak began installing new customers on Thursday, April 14.

"We're excited to deliver on our promise to bring faster, more reliable internet service to Stillwater that will connect people through access and opportunity," said Rich Fish, Bluepeak's CEO. "Our great partnerships have been crucial to enabling our investment in the fiber-to-the-home network we've built here."

Bluepeak is designed to provide the best fiber connection without the things that get in the way of great service — like red tape, hidden fees and slow response times. From equivalent upload and download speeds to bandwidth that keeps up with every device and whole-home WiFi, Bluepeak offers lightning-fast fiber internet services and flexible TV offerings that allow customers to choose the speeds and options that best align with their lives.

"We must ensure our residents and businesses have quality and efficient options to choose from to meet their technological needs. We welcome Bluepeak to our great city," said Stillwater City Manager Norman McNickle when the company broke ground on the network expansion in Nov.

In addition to Bluepeak's roughly \$25 million investment to bring service to nearly 23,000 residents and businesses in Stillwater, the company recently became an official partner of the OSU Cowboys & Cowgirls.

"We welcome Bluepeak to the Oklahoma State Athletics' corporate partner family and look forward to working with their team in connecting with a loyal and passionate fanbase as the company expands into Stillwater," said Kip Racy, vice president and general manager for Cowboy Sports Properties, when the partnership was announced in Nov.

Bluepeak Internet

Providing the fastest symmetrical speeds in the market, Bluepeak internet features the latest whole-home WiFi technology to enhance coverage, reliability and security. Every tier includes eero Secure, which protects devices from online threats, ads, and allows for customized content filtering.
