

BLUEPEAK BREAKS GROUND ON NEW FIBER NETWORK IN LAWTON

(LAWTON, Okla.) – May 19, 2022 – Bluepeak, an innovative internet provider, broke ground Wednesday on an approximately \$40 million fiber-to-the-home network expansion that will bring high-quality, high-speed broadband and video services to nearly 40,000 residents and businesses in Lawton. Representatives from the local community joined members of the Bluepeak team for the ceremony. With construction underway, Bluepeak will begin delivering service to customers later this year. About Bluepeak

Bluepeak is building a faster, more reliable internet without the things that get in the way of great service—like red tape, hidden fees, and slow response times. Offering up to 5 gigabits of speed for residential customers and 10 gigabits for businesses, Bluepeak is a whole new ballgame — from internet to TV, to connecting every device in a home, to powering a business, Bluepeak not only provides the best fiber connections in the communities it serves, but also meets the growing needs for how its customers live. Visit mybluepeak.com to learn more.
